Hi Adnan — how are you? I am following up on the voicemail that I just left you.

This is Rosalia from 2A — the neighbor in 2B has been banging very loudly for a few hours until after 10 and several other tenants from other floors have screamed down and complained with no regard or response.

This is not the first time and it gets progressively aggressive.

I am a young woman + very concerned about my safety in approaching this guy. Honestly, I am worried for the safety of the entire building.

Here's a video

You can reach me at my cell below. Thank you for your help in advance.
